The costs for participating in International Networking Event Switzerland 11 – 13 sept. are:

- Members MinacNed or FHI** € 1.400,-
- Non-members:** € 1.700,-

This includes participation in the programme and **three overnight stays in a hotel (10/11/12 sept), local transportation during the programme in Switzerland, breakfast, lunch and two dinners.**

Programme:

**11 Sept: Microfluidics Workshop** during the **Basel Life Science Week** organized by the Netherlands (MinacNed), Switzerland (CSEM), and Korea (KIST Europe Institute Saarbrücken)

*Evening:* Networking dinner offered by the Dutch Embassy in Switzerland.

**12 Sept: Match Making Event** with one-on-one meetings, together with the **Basel Area Network**

**13 Sept:** Company visits. In preparation: **IBM Zurich**, research group Precision Diagnostics of Prof. Emmanuelle Delamarche, and **Mettler Toledo**.

The costs for transportation from The Netherlands to Switzerland are not included. We will make a group reservation for airline tickets Amsterdam – Basel/Mulhouse, but it's also possible to make your own arrangements.

Please return this form, by fax, email or direct mail:
